

## HOME CARE PRICING SCHEDULE

CO.AS.IT. Italian Assistance Association

Pricing Schedule Last Updated on 20 November 2020

This Schedule provides information on the price for common services you can access through a Home Care Package. The costs will be deducted from your overall package budget. There are many other services you can access through a Home Care Package that are not listed below. This may include allied health services, home maintenance, aids or equipment which may form part of your Care Plan. Services delivered as part of your Care Plan are GST-free. Costs relating to exit amounts are not GST-free. For further information, please see the provider's full price list or contact the home care provider (details included below).

### Provider Information about Service Delivery and Pricing

CO.AS.IT. is a not-for-profit community based organisation and recognises the importance of providing quality services at a reasonable and affordable rate. **Care Management costs are 25% of the package** and are based on competitive hourly rates for qualified case managers with many years of direct experience. **Package management costs have been kept to a minimum, 5%**, and reflect greater use of technology to book services and also an integrated approach with all our services. We don't charge a Basic Daily Fee and we have an exit fee (\$500) to allow proper and prompt transfer. A full schedule of fees is published on our website

## Care Management

*Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.*

Approach to care management		<p>We are a not-for-profit organisation with over 50 years of experience and a team of board members, qualified staff and committed volunteers ready to listen to you and assist you. We will respect your dignity and choices. We recognise the importance of living independently at home and we will endeavour to support you and your family in achieving your individual goals in health and care and in maintaining your general wellbeing. We will listen to you and improve constantly our services. We will make certain that you actively participate in planning services to meet your individual needs. A detailed Care Plan will be developed with you and/or your nominated representative and it will become an integral part of a formal agreement. The Care Plan must be approved by you and it will be reviewed regularly to reflect changes in your care needs, goals and individual circumstances. We will ensure that the Care Plan reflects your care needs, your identity and diversity, your age and gender, your language and culture and also your family situation. Our Care Plan will be designed to allow you to maintain control over your care objectives and plan, your family and social interactions and your relationships. CO.AS.IT. will provide information in English and Italian and in any other relevant language for you and your family members. We will always be respectful of your privacy.</p>
